

Bookings mar victory

Harlow 1, Wycombe Wanderers 3

EVEN the late arrival of Tony Price could not stop Wycombe recording their first away win of the season in the Berger Isthmian League match against Harlow at Epping on Saturday September 20.

Because of traffic hold-ups and ignorance as to the site of the ground, Price turned up after the start, thus causing Mike Keen the inconvenience of a late reshuffle. Keith Mead wore the number 11 shirt while Keen had to act as substitute.

The late switches did not appear to affect Wycombe's rhythm and they went ahead midway through the first half with a fine shot by Howard

Kennedy, which took a deflection past goalkeeper Paul Kitson and raced inside the right post.

After Gary Lester had helped Wycombe absorb strong pressure in the early stages of the second half, the visitors stretched their lead with a fine goal by Terry Glynn following good work by Steve Long.

Bookings

Harlow rallied strongly and eventually pulled a goal back through John Mackenzie after intense pressure. But Wycombe clinched victory just before the end when Steve Long

scored their third from close range.

One disturbing aspect for Wycombe was the acquisition of two more bookings. George Borg, who collected his fourth of the season and Steve Hardwick were the culprits and it could be a pity if a fine season was to be marred by a bad disciplinary record.
